HOUSE JOINT MEMORIAL NO. 18 BY EDUCATION COMMITTEE A JOINT MEMORIAL

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the success of all of America's students attending our nation's public schools is of great concern to the citizens of the United States; and

WHEREAS, many of these students arrive at our public school classrooms from myriad cultures and with no or extremely limited exposure to the English language; and

WHEREAS, it is self-evident that a student new to the English language is not proficient in reading or comprehending academic English; and

WHEREAS, the No Child Left Behind Act currently requires school districts to include in determinations of adequate yearly progress (AYP) the participation of all limited English proficient students, including those who have not been enrolled in school on a full-time basis for a sufficient period of time to develop skills that will assure the required tests are providing reliable information regarding these students' educational levels; and

WHEREAS, the No Child Left Behind Act also currently requires states to include all students in their annual academic assessments, including those with limited English proficiency, regardless of the length of time they have been attending public school; and

WHEREAS, Idaho's statewide assessment used to meet the provisions of the No Child Left Behind Act, the Idaho Standard Achievement Test, is administered in English; and

WHEREAS, it is demoralizing and frustrating for a student to be forced to take a test she or he cannot understand; and

WHEREAS, grade-level tests administered in English to beginning English language learners do not help teachers or

school administrators understand the instructional needs of these students and do not provide an accurate portrayal of the performance of the school in which these students are enrolled.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge your support for and adoption of amendments proposed to the No Child Left Behind Act contained in H.R. 1177 which would:

(1) Allow states to exclude from AYP determinations the performance of any limited English proficient student who has not been enrolled in the state for three (3) full school years and whose parents and educators agree that such an exclusion is educationally appropriate for the student; and

(2) Allow states to exclude from the required annual academic assessment of student performance in mathematics, reading or language arts and science any limited English proficient student who has not been enrolled in the state for three (3) full school years and whose parents and educators agree that such an exclusion is educationally appropriate for the student.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.
